Ideamapper Inc. Privacy Policy

Privacy Policy Notice
We know that you care how information about you is used and shared and we appreciate your trust in us to do that carefully and sensibly. This notice describes the privacy policy of Ideamapper Inc.
By visiting our website, you are accepting and consenting to the practices described in this Privacy Policy Notice.

Controllers of Personal Information
All personal information that may be collected by us is controlled entirely by Ideamapper Inc, 173 North Main Street, Suite 228, Sayville, NY 11782.

Information and Use of Personal Information about Customers
Ideamapper Inc does collect information about users for legitimate educational purposes and user authentication- this includes their name and e-mail addresses. We use the information to handle orders, deliver products and services, process payments, communicate with you about orders, products, services, and promotional offers, update our records and generally maintain your accounts with us.

Files
We store, process and maintain files that you create and/or upload using the services (as well as previous versions of your files), including Ideamapper documents that you create, images you upload, sharing lists, and other data related to your account in order to provide the services to you.

How secure is the Information you keep about me?
All data is kept on computer systems that are protected by passwords and firewalls. When we transmit your information, we use encrypted channels for your security. When you purchase in our online shop your payment is processed through an SSL encrypted channel and handled with care.

Does Ideamapper Inc share information it receives?
Ideamapper Inc does not sell the information we have about you. However, on occasion we may ask your permission to pass on your contact details to one of our distributors who may contact you about our products and services. We will ask your permission prior to passing on your details. In any case, this transfer of information would never include information such as credit card numbers or bank details etc, which are only kept temporarily to process payment and are destroyed afterwards.

What about Computer-Viruses?
Ideamapper Inc tests all emails and software for viruses.

What about Spyware or Malware?
Ideamapper software does not include Spyware or Malware or other software that may be considered harmful to your computer or your information. Note that other software manufacturers may have chosen to bundle their software with Spyware for financial reasons, however we do hold such behavior to be unethical and personally reject it.

Compliance

The software and the privacy policy comply with applicable laws and regulations, including FERPA, COPPA, and any state-specific student privacy laws.

Changes to the Privacy Policy

We reserve the right to update or modify this Privacy Policy from time to time. Any changes will be effective upon posting the revised Privacy Policy on our website or within our services. We encourage users to review this Privacy Policy periodically for any updates.
